## CLIENT TESTIMONIALS

“Fortunesoft has recently completed a complex API integration project, to create a customised flight booking application for each of our travel websites. The organisation has been a joy to work with. All staff members have proved highly creative and technically skilled; very responsive to our requirements and have shown meticulous attention to detail. Communication with the team has been excellent and the resulting application exceeds our expectations. We now see Fortunesoft as an integral part of our future web development strategy, and look forward to continuing our work together.

- John Pope, Managing Director, ALTERNATIVE AIRLINES - London, UK.

“Fortunesoft has some of the best prices in the industry and outstanding technical support. They were a pleasure to work with and I would recommend them to anyone.

- Stewart Bernard, Digital Marketing Consultant, WSI of Windermere - Florida, US.

---

“My project development efforts with Fortunesoft have been a pleasant experience. They developed capability for my website that I didn't think was possible. Their prices are very competitive and their response time is very good. I would definitely recommend their web development services.

- Anthony Ochoa, Managing Director, Greek Nation LLC – Illinois, US.

---

“Very efficient company, helpful staff. As a very busy small business owner I appreciate their attention to detail and ability to keep on top of things

- Tara Martin, Sales & Marketing Manager, Columbus Washboard Co – Ohio, US.

---

“I am extremely pleased working with Fortunesoft. They have provided all my requirements in a timeframe that I wanted

- Tho Tran, IT Manager, Weavers Art – Ontario, Canada.

---

“Working with Fortunesoft was an absolute pleasure. They were quick to respond and always available even with the time difference to Australia. We are extremely happy with the results of our app and you have built. Interim emails were fantastic as the Fortunesoft team managed to understand every minor detail and tweak without repetition or mistake. We would highly recommend them and will enjoy working together again in the near future.

- Jenna Setford, Head of Digital, PLAY Communication - New South Wales, Australia.

---

“I really appreciate the team's efforts. It has been a pleasure to see this project become a reality. My hope is that the website will then stand as a testament to all of the effort invested in it by so many people. Thank you again for all of your support and assistance.

- Katinka Csizmadi, Communications Assistant Manager, Live Language – Glasgow, Scotland.

---

“ Jamain APP was not an easy task and yes, some complexity emerged during development. When I asked if rework should have required any extra budget I was told "No, everything is included". I appreciated Fortunesoft being so professional

- Gianluca Pelliccioli, Founder and Innovator, JAMAIN SOCIAL AND SERVICE SRL – Milan, Italy.

---

“ Great team to work with. Return emails promptly and are always available to talk with if necessary. Highly recommended

- James Martin, Factory Manager, Carbolicsoaps - Ohio, US.

---

“ Quickwork.

- RieYagi, TYRANT KING INC - Los Angeles, US.

---

“ Excellent communication, sympathetic towards any "extras" that got thrown up during the course of the project. My expectations are high, and it is very rare that anyone meets them in business, but these guys exceeded them. They will be getting more work from me in the future.

- James Martin, Factory Manager, Carbolicsoaps - Ohio, US.

---

“ A pleasure to work with. The project was actually delivered ahead of schedule. Regular scrum calls were clear and efficient. On budget and ahead of schedule. We will definitely work with them again

- Robert Brown, CEO, Options Away LLC – Chicago, US.

---

“ Great Development Company. Deliver projects at a high standard and always keeps you in the loop. Communication is great and they're always available on chat/voice chat/email. Will hire again

- Alihusain Dattoo, Sales Manager, Webinatrix Limited – Middlesex, UK.
